LET'S MAKE ARIZONA #1 GLOBAL YOUTH SERVICE DAY

**Governor's Youth Commission invites
Arizona's youth to plan a service project for
Global Youth Service Day!**

Global Youth Service Day (GYSD) April 17 - 19, 2015, celebrates and mobilizes millions of young people who improve their communities through service.

Established in 1988, GYSD is the largest service event in the world, and **the only day of service dedicated to children and youth.**

Through partnerships with friends and family, schools and community organizations, young people learn they have the ability to address substantive community problems that are important to them.

Join the members of the GOVERNOR'S YOUTH COMMISSION to plan or engage in a service project on GYSD (any day in April) and discover how service can impact your community for the better.

Youth Leadership Day is an opportunity for high school-aged youth representing school and community organizations from across the state to hear inspirational speakers, attend leadership development workshops, network with their peers and celebrate their accomplishments around Global Youth Service Day.

Our goal is to motivate Arizona's future leaders to recognize their inherent leadership abilities and assist them in positively contributing to the development of a stronger, safer and more prosperous state. Bring your youth group for a free day of training and lots of fun.

Mark your calendars NOW. Registration opens March 30. Space is limited.
